Take me, take me to your darkest room  
Close every window and bolt every door  
The very first moment I heard your voice  
I'd be in darkness no more

Take me to your most barren desert  
A thousand miles from the nearest sea  
The very moment I saw your smile  
It would be like heaven to me

There's not any mountain too rugged to climb  
No desert too barren to cross  
Darlin', if you would just show a sign  
Of love, I could bear with all loss

Take me to siberia  
And the coldest weather of the winter time  
And it would be just like spring in california  
As long as I knew you were mine

Yes, it would be just like spring in california  
As long as I knew you were mine

Take me, take me
