Fanny's washing the clothes I know think I'll give Mary
Sue a call
I've cleaned the house there's nothing left to do
Gonna be another lonely night cause he's not here to
hold me tight
The kids are on bed my day is through
Sometimes I wonder if he still loves me when it's come
He never fails to change my mind the minute he gets
home
That's when I feel it his love the most
That's when he holds me holds me so close
That's when I know it because he shows it how much he
loves me
Sometimes I wonder...
That's when I feel it...
