I can tell that somewhere there's someone
You love more than me
Someone you love more than me
And it hurts to say it, but you have the right
To be free
I know, that's the way it should be

But I'm too far gone
Too far gone
I guess I've loved you too much
For too long
And I'm too far gone

If ever your new love should hurt you
Or make you feel blue
Hurt you, or make you feel blue
Remember, your old love will still be around
Lovin' you
I'll be around, lovin' you

'Cause I'm too far gone
Too far gone
I guess I've loved you too much
For too long
And I'm too far gone
