(Norro Wilson - Danny Walls)

The places where we used to meet, we go together  
Step by step like shoes on the feet, we go together  
Just like the sand out in the sea what good is sugar if  
you have no tea

What good're you if you don't have me, we go  
together.

That old feeling we used to get even feels better  
There was a girl you made me forget the day I met her  
Just like the tears in a baby's eyes, just like the stars up  
in the sky

Like icecream and an apple pie we go together.

We go together like the storm and rain, just like the fire  
that needs the flame

Just like the picture needs the frame, we go together

We go together like the moon and June, just like the  
fork needs the spoon

Just like the song that needs the tune, we go together.

--- Instrumental ---

We go together.

--- Instrumental ---

We go together

Yeah, the places where we used to meet, we go  
together

Step by step like shoes on the feet, we go together  
Just like the sand out in the sea what good is sugar if  
you have no tea

What good're you if you don't have me, we go  
together.

We go together like the storm and rain, just like the fire  
that needs the flame

Just like the picture needs the frame, we go together

We go together like the moon and June, just like the  
fork needs the spoon

Just like the song that needs the tune, we go together...
