It's me again, I know You know
I wandered off but I've nowhere left to go
So many times, why do You forgive?
And take me back no matter what my story is

Yes, I know, You love me so
What can I say?

I wanna love this true, I wanna run to You
Tell me, how can a heart refuse
I wonder what You see that You would run to me
Lord, I love that Your love pursues

Through ups and downs and in-betweens
I fall away more than I am following
If I were You, I'd have given up
But You chase me down with Your unrelenting love

Yes, I know, You love me so
What can I do?

I wanna love this true, I wanna run to You
Tell me, how can a heart refuse
I wonder what You see that You would run to me
Lord, I love that Your love pursues

I hear You here, say
"Have no fear, don't be afraid"
Turn me around, I'll turn around
I won't turn away

I wanna love this true, I wanna run to You
Tell me, how can a heart refuse
So I wonder what You see that You would run to me
Lord, I love that Your love pursues, oh yeah

I wanna run to You
I wonder what You see
Lord, I love that Your love pursues

I wanna love this true, I wanna run to You
Tell me, how can a heart refuse

I wonder what You see that You would run to me
Lord, I love that Your love pursues

I wanna love this true, I wanna run to You
Tell me, how can a heart refuse
I wonder what You see that You would run to me
Lord, I love that Your love pursues
