I'm lost in the light  
I pray for the night  
To take me, to take me to

After so many words  
Still nothing's heard  
Don't know what we should do

So if someone can see me now, let them see you

It was my greatest thrill  
But we just stood still  
You let me hold your hand 'til I had my thrill

Even countin' sheep  
Don't help me sleep  
I just toss and turn right there beside you

So if someone could help me now, they'd help you too.

They'd help you to  
See you through  
All the hard things we've all gotta do  
Cause this life is long  
And so you wouldn't be wrong

Bein' free you and me on my own!

And I held my own  
Still I rattled your bones  
I said some awful things and I take them back

If we would try again  
Just remember when  
Before we were lovers, I swear we were friends

So if someone could see me now let them see you

Let them see you  
See you through  
All the hard things we've all gotta do

Cause this life is long  
So you wouldn't be wrong  
Bein' free here with me on my own!
