### "Whole Wide World"

When I was a young boy, my mama said to me  
There's only one girl in the world for you  
And she's probably in Tahiti  
Or Maybe she's in the Bahamas  
Where the Caribbean Sea is blue  
We've been in a tropical moonlight night  
'Cause nobody taught her 'bout you

I'd call go the whole wide world, I'd call go the whole  
wide world  
Just to find her  
I'd call go the whole wide world, I'd call go the whole  
wide world  
To find out where they hide her

Why am i hanging around in the rain out here  
Trying to pick up a girl  
Why are my eyes filling up with these lonely tears  
When there's girls all over the world  
Is she lying on a tropical beach somewhere

Underneath the tropical sun  
Pining away in a heat wave there  
Hoping that i won't be long  
I should be lying on that sun soaked beach with her  
Caressing her warm brown skin  
Then in a year or maybe not quite  
We'll be sharing the same next of kin

I'd call go the whole wide world, I'd call go the whole  
wide world  
Just to find her  
I'd call go the whole wide world, I'd call go the whole  
wide world  
To find out where they hide her  
I'd call go the whole wide world, I'd call go the whole  
wide world  
Just to find her  
I'd call go the whole wide world, I'd call go the whole  
wide world  
To find out where they hide her
