You're gonna forget your mind!
Lock down! Stay undefined!
Take your time!
Swallow the gun!
Take a shot! Let it rot in your stomach!
Constantly stumbling, when you think that I speak
hypothetically.

You're gonna forget your mind!
Lock down! Stay undefined!
Take your time!
Swallow the gun!
Take a shot! Let it rot in your stomach!
Constantly stumbling!

Whether or not your remember it...

Shut down!
They'll be another one to fuck without a thought!
You've made a big mistake!!!
