All alone, now it feels so hopeless
With the temporary blood that you draw.
Keep in mind when I'm
trying to hold this together,
now you're gone and I'm waiting away...

And No, we can't deny it.
Look in my eyes, it's you I confide in,
and now that I am trying,
words choke back, we can't deny it...

Your eyes, watching me like a camera.
Overexposure to these kind of days.
And the film, was surreal
as the dream was.
Shooting stars with galactic fates.

Wait another day,
for my mind to change,
Con your way out of this,
and make mistakes... I'll stand by this...

There's another way.
Can't find the words to say,
I know I need to see you and feel you.
These days just aren't
the way they used to be.

SCREAM OUT MY NAME!!!

Wait! We're whole again...
You were my pride,
but where have you been!?
Fullforce!!Fullforce!!Fullforce!!!
Look up ahead!!
(Mayday!!Mayday!!Mayday!!!
We're already dead...

And No, we can't deny it.
Look in my eyes, it's you I confide in,
and now that I am trying,

words choke back, we can't deny it...
