I never meant to make you think,  
That I had all the answers,  
I've just learned some things from my mistakes,  
And all these self made disasters,

Lost, left I'm so alone,  
Giving up, no where to go,  
Can someone see or hear me?  
Life's done I've got no home,  
Places to rest, no love at all,  
And still I stand here screaming.

I've never given up on life,  
Even when life was hating,  
I've spent my time on useless lies,  
And I've spent my life re-planning,

Lost, left I'm so alone,  
Giving up, no where to go,  
Can someone see or hear me?  
Life's done I've got no home,  
Places to rest, no love at all,  
And still I stand here screaming.

Why can't you see I'm falling?  
Why can't you see I'm falling?  
(Down)

Lost, left I'm so alone,  
Giving up, no where to go,  
Can someone see or hear me?  
Life's done I've got no home,  
Places to rest, no love at all,  
And still I stand here screaming.
