What you say is true
Bad news girl, insistent girl
I'd appreciate, not is stuff
Hot stuff girl, hot stuff girl, hot stuff girl

After troubled place is talking to you
But I'm acclimatized to your mind
What you say is true hot stuff girl

What you say is true but, sir
Jaded lust and tiresomeness
Are not what I want to look at
Hot stuff girl, hot stuff girl

Plenty of people
Will keep you occupied
Wet sex'll keep you
Anathetized, hot stuff girl

You got a big vibe goin'
But plenty people make it all right, sir
For hot stuff girl, goodbye my dear
Goodbye my dear, goodbye my dear

And you're doing well, for bad news girl
You're doing well, bad news girl, bad news girl
It's hot stuff girl and it's hot stuff girl
You're bad news girl, though the people make it alright

For bad news girl, your bad news girl
It's hot stuff girl, it's hot stuff girl, your bad news girl
You're doing fine, for hot stuff girl
But you're bad news girl, bad news girl

I see you over the hill
Bad news girl but you're bad news girl
Bad news girl, it's hot stuff girl
You're bad news girl

Bad news girl, bad news girl
But you're bad news girl

It's hot stuff girl, I wish you well
I see you over the hill, bad news girl
