The car is at the roundabout
The policeman is at the roundabout
But I'm full of surprises now
And my friend, he said I'm full of surprises now
Let me tell you about scientific management
And the theft of its concealment
The Birmingham School of Business School
In Birmingham
It's make-believe
Whippoorwill, so magnificent
Disguise and they all conceit
Give a very firm handshake
And take the bastards for everything that they make
The Birmingham Business School of Business School
Deposits prisoner [...]
Home to their wives
Case carried
Business School
Birmingham School of Business School
Birmingham School of Business School
In the heart of Britain

The big heart of England's
Lee Coopers on every [...]
The Birmingham School of Business School
[...] to walkin'
Hitching
Blazers
Builders
Can't find a job
Jumped up prats
Birmingham Business School
The Birmingham School of Business School
Birmingham School of Business School
Laughing
Stars of European
In epic bidding again and again
Exciting developments
The Birmingham School of Business School X4
