Post-festivities

I'm feeling numb now
From remedies and Prozac
I'm kinda two-tone

I'm feeling numb now
I'm feeling numb
I'm feeling numb now
I'm feeling numb, Prozac

Don't touch that phone dial
Stick with kindred
Welcome in, I'm on automation
And family is cerebral caustic

I'm feeling numb now
I'm feeling numb
I'm feeling numb now
I'm feeling numb

I'm feeling numb now
I'm feeling numb

Everything is broken
Because of grist that curtails
Get the Western on
Stick with family
At the lodge, at the lodge
At the lodge

I'm feeling numb now
I'm feeling numb
I'm feeling numb now
I'm feeling numb

I'm feeling numb now
I'm feeling numb
I'm feeling numb now
Don't touch that phone dial
I'm feeling numb
Stick with kindred

(Feeling numb now)
At the lodge
(Feeling numb)
At the lodge

(Feeling numb now)
The grist that curtails
Will make us strong
(Feeling numb)
And you'll be dead
Before I'm born
