

Fall, The "Immortality"

Visit "[Immortality](#)" on MotoLyrics.com

You try and change it
You try and arrange it
You try and shape it
But it's immortality, yeah
It's immortality

You cannot change it
Or rearrange it
It's immortality

Immortality
Immortality

That's where you're at, dear
You're shedding your mentality
But it's immortality

And you cannot buy it
You cannot put it in your pocket book
You cannot put it in your BCI

Don't try and shape it
'Cause it's immortality
It's immortality, yeah
Immortality, yeah

It's where you're at, yeah

Immortality
Immortality

The Viking Gods had it
Lord Odin had it
Don't try and change it
Don't try and put it in your pock-book-et

It's immortality
It's immortality, yeah

And you cannot change it
You cannot rearrange it

And you cannot shape it
'Cause it's reality, yeah
It's immortality

You cannot buy it
And that's all you're gonna get

From immortality
Immortality
