

Fall, The "Look Know"

Do y'know what you look like
Before you go out?
But I say happy memories
Leave a bitter taste
I need a good brainwash agent
To cut out this present shout of:
Do y'know what you look like
Before you go out?
That's why you eat crap food
That's why nobody talks to you
That's why you messed up everything you do
Do y'know what you look like
Before you go out?
Look Know
Look
He was the first one to wear a flying jacket and go to a club
And she has the general policy of not being seen dead
in a pub
Straight-leg jeans when she goes out
There's a microbe attached to their brains that itches
And gives a warning shout
Do y'know what you look like
Before you go out?
But I say happy memories leave a bitter taste
I got a prison in me
And parties were made for times like these
I always have a wash

And I think that's enough
Do y'know what you look like
Before you go out?
You gotta know what you look like nowadays
Before you go out
Ah some existential crap about you
I said don't trip out [cup up]
Do y'know what you look like
Before you go out?
Know look
Look
But I say get it down yer neck

I'm [bitter/beer]
[.....]
[.....such crap food]
Catchment club
Do y'know what you look like
Before you go out?
We all know fashions are filched of faggots
We all know fashions are filched off the faggots
Do y'know what you look like
Before you go out?
His [house]
