[spoken to audience] We're not doing that one either
Get that spot
Put it in the pot for me
Cos I'm Muzorewi's daughter
I was Muzorewi's daughter
I've been in the pot too long
Too hot in the pot too long
I'm Muzorewi's daughter
African [call love]
[Got two laws love]
I'm Muzorewi's daughter
Left wing hot properties
Out on the closet [sanshee]
She was

Muzorewi's daughter [X4]
The trees are reached with evil scenes for me
Cos I'm Muzorewi's daughter
African [call love]
[Get two laws love]
I'm too long in the pot
I'm too long in the mouth
I'm too long in the mitts
I'm too long in the tits
I'm Muzorewi's daughter
