How could he cope with the flashing-by past [/flash in
my past]?

Through my vid-earphone amp I had to tap

I relate the tract

Oswald Defense Lawyer

Oswald Defense Lawyer

Embraces the scruffed* corpse of the Mark Twain

Oswald Defense Lawyer

How do you think that jury made up of putrid mass

Embraced theory of triangle bullet lines

Turning in circles twice,

Then incredible, marvelous, exiting back of mind?

And Oswald's Defense Lawyer

Embraces scruffed corpse of Mark Twain

Oswald Defense Lawyer

Embraces scruffed corpse of Walt Whitman

Oswald Defense Lawyer

Embraces the scruffed corpse of Mark Twain

Decent lawyer fishes in buckskin hat

Raccoons drown beneath his embarking mass

When he sees CIA shit flying over head fast

Goody goody looks up

In cloudless sky enhancing theory of zig-zag bulletline

Oswald Defense Lawyer

Embraces the scruffed corpse of the Mark Twain

He's liberal and insane,

He caught the good news horse

His opposite is vain

The cardboard fake in the witness stand

He's got an interview in Spin magazine

He loves the magazine

His mouth is in his brain

The prosecution lawyer

Turns himself to butter

Oswald Defense Lawyer

Oswald Defense Lawyer

Embraces the scruffed corpse of Walt Whitman
Cheap rifle photo touched up
Drawn on sky
Oswald's head added on a commie tie
While Oswald Defense Lawyer
Embraces the scuffed corpse of Mark Twain
