What a dynamic entrance

Put a block on the words  
Put a block on the words  
Put a block on the words  
Put a block on the words

This I hear on a train  
This I hear on a train  
We had salmon on a bus  
At Epsom, no races lost  
We don't bet, we just take  
We don't bet, we just take

Put a block on the words  
Put a block on the words

Got a check from the worlds  
Go and put a block on the works  
Listen boys and girls  
Just closer  
On the clommererds  
Just close off the words

Put a block on the words

The nine unknown men knew this  
The nine unknown men knew this  
Three sorts, the first along Louie's life  
The second, the complete restructure of your  
pretentious life  
Three, the only reason you know this  
Is that it was well documented, but I say

Put a block on the words  
Put a block on the words
