May the sideshow begin
Spinetrak
Your man from Escom (Eastbourne?)
Is a schizophrenic
He also thinks he's a man
His other half is his side-kick.
The man from Escom
Is a schizophrene
His other half is his sidekick
You are my spinetrak, my spinetrak, my spinetrak
You are my spinetrak, my spinetrak, my spinetrak
You are my spinetrak, my spinetrak, my spinetrak
Spinetrak
Spine clicked and came out of it's box
May the sideshow begin
One endless pursuit of women

And desire to impress them
You are my spinetrak, my spinetrak, my spinetrak
You are my spinetrak, my spinetrak, my spinetrak (On
news programmes)
You are my spinetrak, my spinetrak, my spinetrak
On news programs
Spinetrak
And application pages for womens' jobs
And other side too
Looked rather big
Sideshow begin
You are my spinetrak, my spinetrak, my spinetrak
You are my spinetrak, my spinetrak, my spinetrak
You are my spinetrak, my spinetrak, my spinetrak
