There's a ghost in my house, the ghost of your memory  
The ghost of the love that was took from me

Our love used to be only shadows in the past  
I see times can't seem to have erased  
The vision of your smiling face  
The dead flowers I sent thee, I can't get over ye

There's a ghost in my house, I can't hide  
For the ghost of the love that's inside  
Keeps on haunting me  
Just keeps on be callin' me

Down in my tea cup I see your face lookin' up  
Sittin' in my easy chair  
I feel your fingers running through my hair  
Though we're far apart your specter's in my heart

There's a ghost in my house, I can't hide  
For the ghost of the love that's inside  
Keeps on haunting me  
Still just a part of me

By the way I hang my head you can see I'm afraid  
Though my heart knows you're gone  
My mind keeps rolling on  
There's a ghost in my house, I can't hide

In my house I am helpless  
I begin to practice superstition  
I hear footsteps on the stairs

Keeps on haunting me  
(I know there's no one there)  
(And I know there's no one there)

There's a ghost in my house, a ghost of your memory  
A ghost of the love that was took from me

Ghost in my house, ghost in my house  
Ghost in my house
