"Mad House!"

My heart is like a big house (Big house) full of ghosts
and rats (And rats)
A house without a window and darkness lives inside
(Inside)
So you came little baby (Baby) and you turned on the
lights
? One time? don't turn me down
So you came little baby (Baby) and you turned on the
lights (Lights)
You saw monsters they made you cry, you blew the
lights and hide (Hide)
My heart is like a big house (Big house) full of ghosts
and rats (And rats)
? One time? don't turn me down
Now baby won't you come back, baby won't you come
back
Won't you come back (Won't you come back again)
? One time? don't turn me down
? One time? don't turn me down
She told me just before she's gone
That I'm a sucker, that I'm a punk
I'm violent everytime I'm drunk
She just can't stand a wino man
Now baby won't you come back, baby won't you come
back
Won't you come back (Won't you come back again)
Madhouse, madhouse, madhouse, madhouse, livin' in
a madhouse, madhouse, madhouse

Had a dream last night, it was so bright
You, dancin' under the moonshine light
With the doctor Yekyll or was it Mister Hide?
(? One time? don't turn me down) That's when the
moon felt down, right up from the sky and broke my
heart into pieces
? One time? don't turn me down
Madhouse, madhouse, madhouse, madhouse, livin' in
a madhouse, madhouse, madhouse
Madhouse, madhouse, livin' in a madhouse,
madhouse, madhouse, madhouse, madhouse
Livin' in a madhouse, madhouse, madhouse,

madhouse
