Hello baby
Last night I saw you digging in my cemetery
Now you'd better watch out Babe
'Cause you can't (Get back), you can't (Get back), I know you can't (Get back) get back (Get back from voodoo)
'Cause you can't (Get back), I know you can't (Get back), I can't baby (Get back)
In my cemetery (Get back from voodoo)
She touched me, just one time (Then she realized...)
Can't get back (Get back), c'mon (Get back), I know you can't (Get back from the voodoo)
(Get back, get back, get back) Get back (Get back from the voodoo)
C'mon baby, c'mon baby touch me one time, touch me just one time (Then she realized...)
Can't get back (Get back, get back, get back from the voodoo), (Get back) get back, (Get back) get back
You can't (Get back), c'mon baby (Get back from the voodoo) (Get back)[?], (Get back)[?]

Get back, get back from the voodoo (She realized...), get back
Get back from the voodoo (She realized...), get back, can't get back, get back from the voodoo
(She realized...), get back, get back, get back from the voodoo (She realized...), get back
Get back, get back from the voodoo (She realized...), get back, can't get back
Get back from the voodoo (She realized...), get back, (Can't get back)
Get back from the voodoo, voodoo, get back, get back from the voodoo, voodoo, get back
Get back from the voodoo, voodoo, get back
