Colder than Ice  
The World falls apart  
Cold like a Stone  
The spell on the Souls  
Colder than ice  
Your hand on my Heart  
A world made of stone  
Let tenderness freeze

[Chorus]

Save the Fairyland we live in  
Where all failings are forgiven  
Feel like hunted by a Griffin  
I fall straight down  
Save the Fairyland we live in  
Where my failings are forgiven  
Feel like hunted by a Griffin  
I'm falling straight down

Catch my Daydream  
Catch my Fall

Colder than Ice  
Night all around  
Cold like a stone  
The Heart of success  
Wasteland of Ice  
We fall to the Ground  
A World made of Stone  
Let Tenderness freeze

[Repeat Chorus 1x]

Falling down  
Falling down  
Catch me  
When I'm falling down  
Please come to me...

[Repeat Chorus 2x]
