Its all in your mind,  
In Your Mind...

I don't want to believe  
And I don't want to live  
By the excuses  
Of your weakness

'cause a woman should do  
What she wants to do  
There is no reason  
For your shallow aggravation

Chours

I just want to be sure  
Don't want anymore  
You're calling out names  
Oh what a shame

Just open your mind  
Then maybe you'll find  
That there's no reason  
For your shallow aggravation

Chorus

Nothing wrong with this dress I wear  
Or this smile I dare  
Its all in your mind... in your mind

This legs you see  
This lean body  
Its all what you see in your mind 2x  
Its only in your mind...

This is the time  
To change your mind

There's still a chance  
To change your mind

It's plain to see  
From anywhere the only thing wrong  
Is your irritating mind

Repeat Chorus 3X

In your mind...
