It's Friday night you must be alone  
That's the only time you'd ever phone  
But if you drop by don't be surprised  
Cause darling I won't be there tonight

I'm dancing your memory away in the arms of a  
stranger  
For now I'm okay, my hearts out of danger  
Tonight while I'm waltzing as the band softly plays  
I'm getting by, one song at a time, dancing your  
memory away

Once, twice, tell me how many times  
Was I a fool for your lying eyes  
But I won't be your fool anymore  
At least not while I'm out on the floor

I'm dancing your memory away in the arms of a  
stranger  
For now I'm okay, my hearts out of danger  
Tonight while I'm waltzing as the band softly plays  
I'm getting by, one song at a time, dancing your  
memory away

I'm dancing your memory away in the arms of a  
stranger  
For now I'm okay, my hearts out of danger  
Tonight while I'm waltzing as the band softly plays  
I'm getting by, one song at a time, dancing your  
memory away
