Every breath you take  
Every move you make  
Every bond you break  
Every step you take  
Ill be watching you

Every single day  
Every word you say  
Every game you play  
Every night you stay  
Ill be watching you

Oh, cant you see  
You belong to me  
How my poor heart aches  
With every step you take

Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
Ill be watching you

Since youve gone I been lost without a trace  
I dream at night I can only see your face  
I look around but its you I cant replace  
I feel so cold and I long for your embrace  
I keep crying baby, baby, please...

Oh, cant you see  
You belong to me  
How my poor heart aches  
With every breath you take

Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
Ill be watching you

Every move you make

Every step you take  
Ill be watching you

Ill be watching you  
Ill be watching you  
Ill be watching you  
Ill be watching you...
