Every now and then, a blind squirrel finds an acorn  
Every now and then, a crippled sparrow takes to the  
wind  
Lately that's what keeps me going  
I find comfort just in knowing  
That it happens every now and then.

Every now and then, the sun shines when it's raining  
Every now and then, a down-and-outer finds a true  
friend  
As sure there's a Lord above me  
I know someday someone will love me  
Thank God it happens every now and then.

(Instrumental)

Every now and then, a seeker finds the answer  
Every now and then, a loser learns how to win  
I believe that some sweet evening  
I'll find someone to believe in  
I know it happens every now and then.

Thank God it happens every now and then.
