Do you hold her all night long?  
Do you sing her our love song?  
Do you kiss her lips until love mekes her weak?  
Oh darlin'

Do you promise her the moon?  
Do you sing her our love song?  
Do you diss her lips until love makes her weak?  
Oh darlin'

Every time you touch her  
Every time you touch her  
Think of me

When she reaches out for you  
The same way my arms do  
does she know the truth your love belongs to me?  
Oh baby

Do you wander in the dark?  
If she see into your heart  
Do you close your eyes?  
So she will never see  
Oh baby

Every time you touch her  
Every time you touch her  
Think of me

Nights were never made to spend alone  
Oh I can wish you love but I can't wish you gone

Do you hold her all night long?  
Do you sing her our love song?  
Do you kiss her lips until love mekes her weak?  
Oh darlin'

Every time you touch her  
Every time you touch her  
Think of me
