(Jimmy Peppers)

Forever yours, I'll always be
Please say that you'll give your sweet love to me
Forever yours my love will be
I will take care of you, say that you love me.

I started living the day I found you
I love you with all my heart, say you love me too
I will stay beside you and I will guide you, forever yours
Please say you are mine

Forever yours, I'll always be
Please say that you'll give your sweet love to me
Forever yours my love will be
I will take care of you, say that you love me.

I will take care of you, say that you love me...
