(Hank Williams)

Hey, hey, good lookin', whatcha got cookin'
How's about cookin' something up with me
Hey, hey, sweet baby don't you think maybe
We could find us a brand new recipe.
You got a hot rod Ford and a two dollar bill
And I know a spot right over the hill
There's soda pop and the dancin's free
So if you wanna have fun come along with me.
Hey, hey, good lookin' whatcha got cookin'
How's about cookin' something up with me?
--- Instrumental ---
I'm free and ready so we can go steady
How's about savin' all your time for me
No more lookin' I know I've been taken
How's about keepin' steady company?
I'm gonna throw my datebook over the fence
Gonna get another for five or ten cents
I'll keep it till it's covered with age
'Cause I'm writin' your name on every page.
Hey, hey, good lookin' whatcha got cookin'
How's about cookin' somethin' up with me
Hey, good lookin' whatcha got cookin'
How's about cookin' somethin' up with me.
How's about cookin' somethin' up with me...
