Well I'm livin' when I'm lovin' and I'm lovin' every time I'm with you

Just like walkin' in the sunshine Lord you make me feel so fine

And as long as we're livin' and lovin' the way we want to I know I'm gonna be the most loved woman alive I'm gonna hold on to the love I got I couldn't careless it they like it or not

As long as you're satisfied with the things I do I'm gonna hold on to the love I got in a hundred million years I'll never stop

Cause there's nothin' in this world that could keep me from lovin' you

[trumpet]

The thrills I feel I know are real when you hold me And I wake up every mornin' with your arms wrapped around me tight

And the feelin' I feel is exactly the way it should be Cause the love we've got keeps goin' every day and night

I'm gonna hold on to the love...

Cause there's nothin' in this world that could keep me from lovin' you
