Now that it's finally over
Now that my eyes are all dry
Yet no dreams, for me to keep dreamin
And no tear left in me to cry

I'm not the first one
Who'd loved you and lost
But I'm not you're has been
I just never was

You didn't meet me this morning
Cause you never left here with me
You kept your party at my hour to spare
But your love has always been free

So, I'm not like the others
I'm different because
I'm not you're has been
I just never was

I'm not your have friend
I'm not never have been
I've just never existed in your world

So, when I feel rejected
And I may feel lost
But I'm not you're has been
I just never was

Never was.
