When you look at me as if to say you need me  
You don't know how close I come to giving in  
But I'm trying to be strong and to keep from doing  
wrong  
I wish you'd never come to me again  
Cause baby I'm only a woman only a woman  
Can't you see my heart's not made of stone  
Yes baby I'm only a woman only a woman so please till  
you're free leave me alone

Don't you know it hurts to know her arms will hold you  
Don't you know how much I wish those arms were mine

But darling till you're free please don't reach out from  
me  
Cause I don't want our love to be that kind  
Cause baby I'm only a woman only a woman o please  
till you're free leave me alone
