Someday, Someway You'll realise that you've been
blind
Yes Darling, you're going to need me again
It's just a matter of time

Go on, go on Til you reach the end of the line
Cause I know you'll pass my way again
It's just a matter of time

After I gave you everything I had
You laughed and you called me a clown

Remember in your search for fortune and fame
What goes up must come down

I know, I know That one day you'll wake up and find
That my love is a true love
It's just a matter of time

Go on, go on Til you reach the end of the line
Cause I know you'll pass my way again
It's just a matter of time
