I'll live every day for you and I'll breathe every breath
for you
So if I'm mean and make you blue, it's my way of loving
you
If I say that you're untrue and it breaks your heart in
two
I can't help the things I do, it's my way of loving you

Try to understand my love, look into my heart
Don't you know I'd want to die if we ever part
All my life I'm gonna love you so, there may be times it
may not show
That my love for you is true, it's my way of loving you

If I say that you're untrue and it breaks your heart in
two
I can't help the things I do, it's my way of loving you
It's my way of loving you
