When everything right seems to go wrong
Your heart waits to sing but it can't find a song
When it seems that the world has left you behind
Keep me in mind

When you think that life is just passing you by
You look but you can't find a reason to try
When it seems that a friend is so hard to find
Keep me in mind

Keep me in mind
'Cause I'll never stop loving you
And as long as I live I'll have love to give
And I'll give it all to you just you

When the dreams that you've chased have all gotten
away
And you stand at the end of a long lonely day
You'll never be far from these arms of mine
Keep me in mind

When the dreams that you've chased have all gotten
away
And you stand at the end of a long lonely day
You'll never be far from these arms of mine
Keep me in mind
