My shoulder still burns where you touched me last  
night

You hugged me and walked out the door  
We've been pretending that we're only friends  
But tonight we can feel something more

Just being around you is making me warm  
One touch and I know that I'll melt in your arms  
There's no way to stop this burning desire  
'Cause there's nothing as hot as a slow burning fire

You look in my eyes just a little too long  
Before I can look away but lately  
I've caught you staring at me  
With a new kind of look on your face

Just being around you is making me warm  
One touch and I know that I'll melt in your arms  
There's no way to stop this burning desire  
'Cause there's nothing as hot as a slow burning fire

Just being around you is making me warm  
One touch and I know that I'll melt in your arms  
There's no way to stop this burning desire  
'Cause there's nothing as hot as a slow burning fire
