Tammy Wynette & George Jones

(Jack Clement)

There's a picture that I carry
One we made some time ago
When they ask who's in the picture with me
I say just a girl I used to know.

Just some one I used to spend some time with
Just a flame that lost its glow
I don't tell them how lost I am without you
I say just some one I used to know.

--- Instrumental ---

Just some one I used to run around with
Just a friend from long ago
I don't tell them how lost I am without you
I say just some one I used to know.

I say just some one I used to know...

Moderator note: This song has several versions where the wording may say a girl in place of the words some one and the versing sequence may differ. But the basics are the same.
