Sometimes it hard, to be a woman
giving all your love to just one man
you'll have bad times
and he'll have good times
doing things that you don't understand
but if you love him
you'll forgive him
even though he's hard to understand
and if you love him
oh, be proud of him
'cos after all
he's just a man.

Stand by your man

give him two arms to cling to
and something warm to come to
when nights are cold and lonely

Stand by your man
and show the world you love him
keep giving all the love you can
Stand by your man

Stand by your man
and show the world you love him
keep giving all the love you can
Stand by your man
