"Ways To Love A Man"

There are so many ways to love a man
And so many things to understand
And if there ever comes a time
You decide to change your mind

I'll need a way to hold you and I can
'Cause I'll know all the ways to love a man
But there's so many ways to lose a man
So quickly he can slip through your hands

One little thing goes wrong
Then all at once he's gone
I'd have no way to hold him like I planned
It takes more than just one way to love a man

With my hands my heart anything
I can find my child, my home, my soul and my mind
I'll know that I can hold him
Yes, I can if I know all the ways to love a man
