There's a world full of men  
And I could take 'em or leave 'em  
'Cause when one would let me down  
There'd be ten more standin' 'round to take his place

And I remember back then  
How I loved to just deceive 'em  
Playin' with 'em like a toy  
Then leave 'em like a little boy  
With teardrops on his face.

Love was just a game  
And I knew just how to play it  
And I'll never understand  
You were just another man to me  
Ahh, but you've got close  
To what I cherish most.  
Mmm-mm-mm-mm-mm-mm, mm-mm-mm-mm-mm.

You make me want to be a mother  
And walk around with pride  
With your char-armin' side  
You make me want to be a mother  
Ahh, who'd have thought that I would  
Ahh, but it feels so good  
'Cause you've got close  
To what I cherish most.

Mmm-mm-mm-mm-mm-mm, mm-mm-mm-mm-mm  
Mmm-mm-mm-mm-mm-mm, mm-mm-mm-mm-m
