As round the sun the earth knows she's revolving  
And the rosebuds know to bloom in early May  
Just as hate knows love's the cure  
You can rest your mind assured  
that I'll be loving you always

As now can't reveal the mystery of tomorrow  
But in passing will grow older everyday  
Just as all that's born is new  
You know what I say is true  
That I'll be loving you always

Until the rainbow burns the stars out of the sky  
Until the ocean covers every mountain high  
Until the day that 8 times 8 times 8 is 4  
Until the day that is the day that are no more

Did you know that true love asks for nothing  
Her acceptance is the way we pay  
Did you know that life has given love a guarantee  
To last through forever and another day

As today I know I'm living for tomorrow  
Could make me the past  
But that I mustn't fear  
I know deep in my mind  
The love of me I've left behind  
Cause I'll be loving you always

Until the rainbow burns the stars out in the sky  
Until the ocean covers every mountain high  
Until the dolphin flies and parrots live at sea  
Until we dream of life and life becomes a dream  
Until the day is night and night becomes the day  
Until the trees and seas just up and fly away  
Until the day that 8 times 8 times 8 is 4  
Until the day that is the day that are no more

Did you know that true love asks for nothing  
Her acceptance is the way we pay  
Did you know that life has given love a guarantee  
To last through forever and another day

As around the sun the earth knows she's revolving  
And the rosebuds know to bloom in early May  
For now I know deep in my mind  
The love of me I've left behind  
'Cause I'll be loving you always

Until the rainbow burns the stars out in the sky  
Until the ocean covers every mountain high  
Until the dolphin flies and parrots live at sea  
Until we dream of life and life becomes a dream

Until the day is night and night becomes the day  
Until the trees and seas just up and fly away  
Until the day

that 8 times 8 times 8 is 4  
Until the day that is the day  
that are no more
