You know what happened cause he broke the face to
dust, scam off
We won't hesitate, the chops getting off you,
Plenty money, plenty killer, we riding
Hit , in the , till you died, till any nigger he tried me
Leaving mess with an awful neck tie
Johnny Cash in the foam I'ma know that
Cause the storm when we form and we own track
I'ma get trench by the storm better fall back
Niggers wanna act and perform, , track
And bring his ass back to earth, body bag zipped up,
dragged in the dirt
Praying death for ,, skin turned blue, no breath
confirmed ya
Take your scene, no left upon ya, one two three,
...stretch your...

You can get it nigger right this younstant, younstant,
You can get it nigger right this younstant, younstant,
You can get it nigger right this younstant, younstant,
You can get it nigger right this younstantly,
I had them boys over looking for you, younstantly
And they won't stop until they get you, younstantly
I'm about to show you who you fucking with,
younstantly
Have your ass, get the picture

Loving directly niggers is right here
Passing your seats, niggers don't know where new ,
Loving my east coast, niggers ... there
I got love for the east coast, niggers over there
All over the mid west niggers don't care
All over the dirty south, niggers sound fair
Nigger , move, make your balls for the cat food
They're gone all few wreck the all you'll be dog food
Niggers, you're cat burners, you're not learners
Forget the nigger's , put on a back burner, that's right
Hustle all night cause we're not turner
Knock your ass up beat like a heart mama

You can get it nigger right this younstant, younstant,

You can get it nigger right this younstant, younstant,
You can get it nigger right this younstant, younstant,
You can get it nigger right this younstantly,
I had them boys over looking for you, younstantly
And they won't stop until they get you, younstantly
I'm about to show you who you fucking with,
younstantly
Have your ass, get the picture

I'ma put you up in something you can't get down off
That niggers making money shooting guns and
sniffing powder
And they can get ...just about ,
Just what happens to a victim of searching with power
Industry from , everything we turn it here, if my niggers
come in here
They gonna put you under here, get your ass and get
your click
You can go forget your shit
That's gonna get you pistol grip hit you with the pistol
clip

Any nigger fighting on getting mind, on stick your
mind, go ahead define
something really fine to get behind
cause when the bullets fly bodies lie all the time
be a whole lot of crime and chicken frying cause
niggers dying

You can get it nigger right this younstant, younstant,
You can get it nigger right this younstant, younstant,
You can get it nigger right this younstant, younstant,
You can get it nigger right this younstantly,
I had them boys over looking for you, younstantly
And they won't stop until they get you, younstantly
I'm about to show you who you fucking with,
younstantly
Have your ass, get the picture.
