If you don't want me baby
I'll survive
But not when I see you
Looking so divine!

Well i like to shake the shit
Same as the next fellow
The only difference is
He's rough and i'm mellow
Baby baby if you can...

Tell me something i don't know
If you love me baby let me know
Tell me something i don't know
If you want me baby...
Make it so!

And i'll be waiting
When you change your mind
It's clear you love
A certain friend of mine...

Well i may not be so cool
But i can sure rock it!
I start to lose my cool
oh girls come on sock it!
Tell me baby if you canâ€¦
Yehâ€¦.

Tell me something i don't know
If you love me baby let me know
Tell me something i don't know
If you want me baby...
Make it so!

Please! Please!
Honey you belong with me
And no one elseâ€¦
I wanna kill myself!

Tell me something i don't know

If you love me baby let me know
Tell me something i don't know
If you want me baby...
Make it so!

Baby, Baby if you can!

Tell me something i don't know
If you want me baby let me know
Tell me something i don't know
If you want me baby...
Make it so!

Please! Please!
Honey you belong with me!
And no one else!
I wanna kill myself!
