(instrumental)

What kinda gal can you be?

You just haunt my memory

All night long, honey, all night long

No matter what I say or do

I can't stop thinkin' of you

All night long, honey, all night long

When I stay awake an cry all night

You know they call it a sin

But they don't seem to know

The fix you've got me in

How can you be so mean to me?

Yeah!

After doin' what you did to me?

All night long, honey, all night long

'Get outta here boy, your dog does'

(instrumental)

When I stay awake an cry all night

You know they call it a sin

Yeah!

But they don't seem to know

The fix you've got me in

Yeah!

Oh, how can you be so mean to me?

After doin' what you did to me?

All night long, oh baby, all night long
