I'm goin' away, baby
But maybe not to stay
But I won't be back
Until you change your way

You keep me
Nutty and buggy all the time
I won't be back, baby
Until you change your mind

I'm packin' up, baby
Yes, I'm goin' back to the wood
I've done found out
That you don't mean me no good

You keep me
Nutty and buggy all the time
I won't be back, baby
Until you change yo' mind

I'm leavin' you, baby
Your cryin' won't make me stay
The more you cry, baby
The further I'm goin' away

You keep me
Nutty and buggy all the time
I won't be back, baby
Until you change yo' mind

I warned you, baby
Yes, I told you in advance
So, don't tell nobody
That you didn't have a chance

But kept me
Nutty and buggy all the time
I won't be back, baby
Until you change yo' mind

What's the use of me loving?
When I don't see, while I should

I know I'm loving someone
That don't mean me no good

But keep me
Nutty and buggy all the time
Won't be back, baby
Until you change yo' mind
