Tampa Red intro spoken:

Oh, get up ladies and gentlemen, get up  
C'mon, let's have a little fun, will you?  
You gonna sit there wit' the one little spot  
It'll be all night.

C'mon, c'mon take a dance  
While the band is all gettin' set here and ready  
Ladies and gentlemen, c'mon dance, will ya?  
I think they're ready right now, let's see  
C'mon, boys what d'ya say?

(kazoo & clarinet instrumental)  
I wished for lovely night  
And my gal to hold me tight  
That's the way I do, when I wanna make love

'How bout that, high'

I want a lovely song to sing  
I want kisses an ev'rything  
That's the way I do, when I want to make love

'Don't you do the same thing, boy?'

When she starts baby talkin'  
Then, I'll do baby talk, too - yeah man!  
I say, papa's little hootsie, tootsie, wootsie  
Your daddy do love you

'You know what I'm talkin' about then?

Wish for a night in June  
And my feeling come so soon  
That's the way I do, when I want to make love

'Get it now boys, get it now'

(instrumental)

And if she starts t' baby talkin'  
Then, I'll do baby talk, too  
I'll say-a, papa's little hootsie, tootsie, wootsie  
Your daddy do love you - yeah!

And I wish for a night in June  
And my dream, you come so soon  
That's the way I do, when I want to make love.
