If you lose your money, don't lose your mind  
If you lose your money, don't lose your mind  
And if you lose your sweet woman, well brother you  
better not mess with mine  
If you ever been down, I know you know just how I feel  
If you ever been down, you know just how I feel  
Why I feel just like a dyin' soldier, across the battlefield  
Baby I'm goin' out west, and don't wanna leave you  
behind  
I'm goin' out west, and I don't wanna leave you behind  
Because I'm afraid that when I return baby, I'm afraid  
that you won't be mine  
(spoken:)  
Aw shucks - you know what I'm talkin' about  
Then how do you think I feel to go away and come back  
And find you in another guy's arms  
I take a brickbat and break your neck  
And I don't mean maybe neither  
What's the use of walkin', for when there's a freight  
train goin' your way  
What's the use of walkin', and there's a freight train  
goin' your way  
(I heard the train blow)  
If my mind don't chage, I'm western bound today  
Put your arms around me baby, just like a circle around  
the sun  
Put your arms around me baby, like a circle around the  
sun  
That's the way baby, Papa Red wants his lovin' done  
(You hear me talkin', and I don't mean maybe, that's  
all)
