No need to look around
There's no one here but you
So I scream without a sound
And hope that it gets through
Time is clamping down
It's getting hard to breathe
I can't imagine how to live my
life without you in it

Cause I've been wishing so hard
Tell me can you relate
You want something so bad and in time
It's too long to wait
Cause I've been wishing so hard
Tell me if you think that it's true
Cause everything I've been wishing
for I had in me in you

There's nothing left to say
There's nothing left to do
Just turn and walk away
And I'll do the same thing too
And when you're all alone
Waiting for a call
There'll be nobody home, nobody
there for you at all.

Cause I've been wishing so hard
Tell me can you relate
You want something so bad and in time
It's too long to wait
Cause I've been wishing so hard
Tell me if you think that it's true
Cause everything I've been wishing
for I had in me in you

Oh cause I've been waiting for
this life long enough to survive
many lives but I wont give up
This blood sweat and tears
I've given through the years

I overcome the fears too
much is never enough
I think I'm wasting my time
I think I'm losing my mind, yeah
I think I'm wasting my time
I know I'm losing my mind, yeah

Tell me can you relate
Ohhh when in time it's too long to wait

Cause I've been wishing so hard
Tell me can you relate
You want something so bad and in time
It's too long to wait
Cause I've been wishing so hard
Tell me if you think that it's true
Cause everything I've been wishing
for I found in me in you

Cause I've been wishing so hard
Tell me can you relate
You want something so bad and in time
It's too long to wait
Cause I've been wishing so hard
Tell me if you think that it's true
Cause everything I've been wishing
for I had in me in you

In you In you
