(instrumental intro)

I have a tendency to keep a-worryin'

No matter where I am or go

And it's all because

You say you don't want me no mo'

No mo'

You've got me cryin'

You've got me sighin'

You've got me tellin' folks that never knew

How much you've got me worryin', bout you

Sun don't seem to shine, no mo'

Because of the rain

My birdie's lovely song

Don't even sound the same

I try to sing, I try to dance

But when I find myself, I'm in a trance

'Cause you got me

Pretty worried 'bout you

'Yeah! Get it now, little low'

(instrumental - clarinet & kazoo)

Sun don't seem to shine, no mo'

Because of the rain

My birdie's lovely song

Don't even sound the same

I try to sing, I try to dance  
But when I find myself, I'm in a trance  
'Cause you've got me  
Yes, you've got me  
An I'm worrin' bout you.
